### Summary of the Contents and Nature of the Instruction that will be provided:

#### Per Indiana Code IC 20-30-5-13 Instruction on human sexuality or sexually transmitted diseases

Sec. 13. Throughout instruction on human sexuality or sexually transmitted diseases, an accredited school shall:

- (1) require a teacher to teach abstinence from sexual activity outside of marriage as the expected standard for all school age children;
- (2) include in the instruction that abstinence from sexual activity is the only certain way to avoid out-of-wedlock pregnancy, sexually transmitted diseases, and other associated health problems; and
- (3) include in the instruction that the best way to avoid sexually transmitted diseases and other associated health problems is to establish a mutually faithful monogamous relationship in the context of marriage.

Content to be taught will be age-appropriate and focused on improving knowledge and skill-building to help students maintain a healthy lifestyle by delaying sexual initiation, reducing risk behaviors and preventing disease.

An alternative assignment will be provided and will be graded for students not participating in the classroom instruction.
